Application		Organisation	Project start date	Length of project	Total Cost	Notes
1	Camelon Festivals	Camelon Community Centre	November 2016	3 years	£100,000	Project complete.
<p>Camelon Community Centre will run a three-year activity to hold an annual winter festival and summer Mariner's Day event. The activities will be free to attend and aimed at residents in Camelon and Tamfourhill, bringing people and organisations together to celebrate in their local area and creating a greater sense of community pride and cohesion.</p>						
2	Easter Carmuir Masterplan	Central Scotland Green Network Trust	February 2017	1 year	£12,000	Project complete.
<p>Stage 1 development funding</p>						
3	Woodcraft Folk	Woodcraft Folk - Camelon Projects	May 2017	3 years	£69,744	Project extended to December 2020 due to restriction on activities during Covid19 lockdown.
<p>With funding from Our Place programme they will run a three-year activity to establish three new WF groups in the Falkirk Our Place area.</p> <p>The activity will establish WF groups in Camelon, Carmuir and Tamfourhill.</p>						

4	Roman playpark	Tamfourhill Tenants and Residents	June 2017	5 years	£152,649	Park is built and operational
<p>This five-year activity will see the building of a Roman themed play park which will replace the existing playpark located at Tamfourhill Community Hall, Machrie Court in Falkirk. The theme has been chosen as the site is adjacent to the route of the Antonine Wall including Tamfourhill Camp and Watling Lodge, the latter being one of the best-preserved sections of the Antonine Wall ditch.</p> <p>TTRA and local residents wish to improve the playpark to make it an attractive and important resource within the local community, providing a place for families to use and to restore pride in the area.</p>						
5	Nailer Road Park	Communities Along the Carron Association	June 2017	2.5 years	£129,980	Project continuing with external funding
<p>CATCA in partnership with Falkirk Councils Development Services Environment Team (FCDSE) will deliver a two-year project. Nailor Road Park will be redeveloped, led by FCDSE, with the installation of circular paths with spurs, the relocation of some play equipment, the installation of new items of play equipment and trim trail equipment. A bespoke community volunteer programme will be developed, delivering training to local people with a focus on working in and enjoying the improved park. CATCA will deliver outdoor activities and workshops.</p>						
6	Active Camelon	Camelon Community Sports Hub	June 2018	N/A	£0	No funding needed
<p>Stage one grant, no development funding needed</p>						

10	Canal Connections	Conservation Volunteers	July 2019	1 year	£13,000	Transferred from Scottish Waterways Trust before they folded
----	-------------------	-------------------------	-----------	--------	---------	--

This project will allow the group to deliver a 10-week pilot programme of diversionary and therapeutic activities along the canal to at-risk and vulnerable families in the Camelon and Tamfourhill areas of Falkirk. The group will work with Falkirk Council CLD and Seagull Canal Cruises to deliver a series of activities on land and on the water including basic bushcraft, willow weaving, safe fire lighting, wildlife spotting, photography, canal maintenance and water safety. The project will aim to connect local people with the canal network and landmarks such as the Falkirk Wheel and the Kelpies and will also be an opportunity for young people and families experiencing challenging circumstances to try something new, gain skills and an understanding of the wellbeing benefits of making use of the canal and surrounding environment. The project will benefit 120 people and will involve 6 volunteers

11	Easter Carmuir Park	Central Scotland Green Network	May 2019	1 year	£58,000	Small contribution to overall work - total project costs approximately £400k.
----	---------------------	--------------------------------	----------	--------	---------	---

This project is part of the wider regeneration of Easter Carmuir Park in Camelon. The project will deliver the first phase of priority improvements to the park, a key local asset which at present is underused and inaccessible for many in the community. The group will carry out a range of physical improvements which will improve accessibility, appearance and biodiversity of the park, opening up the space for more people in the community to enjoy. The project will take place over 3 months.

12	Navigator Project	Cyrenians	March 2019	2 years	£150,000	On going
<p>This project will focus on supporting people with convictions to reintegrate to the community, aiming to reduce the stigma surrounding this group and to foster an improved sense of safety within the Camelon community. The project will do this through a combination of one-to-one support for people leaving the justice system who want to take an active role in their community, through signposting to existing services and through working with local employers and voluntary organisations to promote the recruitment and involvement of people with convictions. The project will be delivered by one full time 'navigator' who will be peripatetic but based in Camelon and who will work closely with a range of key local partners.</p> <p>The project will involve 250 people over 2 years and will involve 8 volunteers.</p>						
13	Camelon Arts	Artlink Central	December 2018	3 years	£185,000	On going
<p>This group will deliver Camelon Arts in the Our Place area in Falkirk. They will use the funding over three years to deliver an inclusive arts project to 900 people. The organisation will coordinate a range of artists to work on different artistic activities that the community will be determined on an ongoing basis. Through linking with various local partner organisations including other Our Place groups, the funding will enable arts activities to act as a vehicle for community engagement and development and will encourage a sense of pride, connectedness and ownership in the local community.</p>						
14	Kemlin Kin	Tamfourhill TRA	May 2020	3 years	£268,266	On going
<p>The project will engage two development workers to lead two separate but linked workstreams, one around capacity-building to ensure that community groups in Camelon and Tamfourhill continue to flourish past the end of the Our Place programme, and one around the theme of community safety, which has been repeatedly highlighted as a local priority. The workers will be managed by TTRA and the project will be monitored by a steering group of local people and organisations. This project is the final one to be developed as part of Our Place Camelon and will support the community to create a legacy for the work that has taken place. It will involve around 200 people and 30 volunteers over three years.</p>
